2.2.1 - The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

The Institution uses monitoring and mentoring system to find out the problems of slow learners. The teachers take help of some advanced learners to help the weak students to understand the topics related to their syllabus. Peer teaching is also encouraged for the slow learners. Revision classes and counselling sessions are held and additional teaching is taken up if required. Faculty members are available through WhatsApp and other online platforms. Meritorious students are included as members of Committees. Training and Placement Cell invites schools and banks (Private and Public sectors) to hold their placement.

Advanced learners and slow learners are identified as per their responses in the classroom as well as the performance in the Unit test, internal examinations, debate and quiz competition.

Following activities are done by teachers for students:

Slow learners:

Individual counselling, Remedial Classes, Group discussion session, Re-tests, Re-Internal examination, Encouragement in NSS, Sports, cultural and academic activities.

Advance learners:

Providing Reference books and journals from library, Seminar sessions, peer-teaching, participation in various competition at State and national level, Industrial / Educational Tour, Projects, Assessments, Group discussion sessions, use of ICT, Debate, Mock interviews, Extempore, Proficiency in English classes, coaching for competitive examination
